

Rutland

Visit

Bugtopia

Bugtopia the zoo in Empingham, is the perfect place to find out about all types of creepy crawlies and to meet them up close and personal.

[For the most up to date opening times, entrance fees and information on newly refurbished enclosures visit their website on this link.](#)

Want to make a day of it?

Rutland Water

Head over to Rutland Water and hike or ride along the footpaths - [there are a number of walks on this website which you can choose to meet your needs!](#)

[You could even cycle around the whole reservoir using this route!](#)

You could take a boat trip around the water - [for boat crossing timings visit their website!](#)

You could even build a sand castle on the beach.

Over the last few years a giant inflatable park has been located on the water throughout the summer. [If you want to slip and slide, visit the website for timings \(height restrictions do apply!\)](#)

Alternatively

Beetle

Download this game and play in your six or patrol. Maybe you could make it into a fundraising evening with guests buying a ticket to join in. You'll need to provide pens and dice as well.

[Download a printable version here](#)

Fondant Beetle

Follow these simple instruction on the next page to make your own fondant caterpillar or ladybird.

Caterpillar

Ladybird

There are hundreds of ideas for making insects on [Pinterest](#) or you could watch a [YouTube video](#) such as [this one](#)
