

Christmas Card Competition

We're inviting all members to get creative and design this year's official Girlguiding Leicestershire Christmas card.

Whether you love drawing, painting, collage or digital art, we'd love to see your festive creations. Think about what Christmas, winter, kindness and Girlguiding mean to you.

Your design could include

Winter scenes

Nature and wildlife

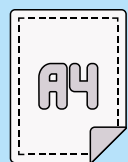

Snowflakes, stars or festive lights

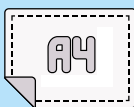

Acts of friendship or kindness

Closing date
for Entries
**Friday 23
October
2026**

Design guidelines

Create your design on template provided (either landscape or portrait). Please take care to not go outside the template so that no important details are cut off during printing.

Use bright bold colours that will print well. Felt tips will work best.

Don't use glitter, gems or any other raised material as the design will need to be scanned

Please don't add any wording such as Merry Christmas - we'll add this when the card is produced.

Write your name, age, section and unit in the space provided.

Judging

Designs will be judged on

Creativity

Festive theme

Clear use of colour and design

Suitability for printing as a Christmas card

There will be one winning design from each section.

Each design will be professionally printed and sent as Girlguiding Leicestershire's official Christmas cards. Each winner will receive a pack of their winning design. There may also be runners up whose designs will be featured on our website or social media.

To submit your completed design please either scan and email to office@leicestershireguides.org or post to

Girlguiding Leicestershire, Unit E, Best House, Whetstone, Leicestershire LE8 6EP
